STATE OF COMPANIES AFFAIRS

Background

NERL started its operations on September 26, 2017 and is regulated by Warehousing Development and Regulatory Authority (WDRA) as a Repository and Platform for Creation and Management of Electronic Negotiable Warehouse Receipts (eNWRs). Apart from NCDEX, the other shareholders of NERL include National Bank for Agriculture and Rural Development (NABARD), the largest re-finance institution, ICICI Bank, one of the largest private sector Banks in India and State Bank of India, the largest public sector Bank in India. Such unique parentage makes it a unique proposition to provide repository services to the Indian Agricultural Market.

The main business of NERL is to offer a digital platform for the creation and management of eNWRs, issued in warehouses registered with the WDRA.

Exchange and Emerging Business:

FY 2022-23 was the 5th full year of operation for NERL after receiving the Permanent Certificate of Registration from WDRA. NERL also completed four years of operations in Emerging Business (non-exchange business). NERL closed the year with more than 7,855 customers (over 1,840 customers added in FY 2022-23), 56 pledgee Banks/NBFCs, 2 CM Pledgees, and 81 Repository Participants ('RPs') across 15 states and 1 UT in India. NERL issued more than 490,000 eNWRs (Exchange + Emerging Business) for commodities in excess of 47.91 Lakh MT (Exchange + Emerging Business) deposited in registered warehouses of WDRA. A new milestone was achieved in FY 2022-23 as Banks crossed ₹4,000 Crores finance against eNWR since inception, a clear indication of confidence amongst the banks about eNWR.

However Exchange business income has shown de-growth due to suspension of agriculture derivative contract in cereals, pulses and oilseeds by SEBI impacting the volumes in NCDEX and NERL's income in repository services. The suspension are remain for a year till December 2023 and we are hopeful that the Exchange income will come very soon.

The result for FY 2022-23 is as below:

	Quantity of eNWR (MT)			Value (Rs. in Crores)		
	FY2021-22	FY2022-23	Growth %	FY2021-22	FY2022-23	Growth %

RISK MANAGEMENT

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has developed a Risk Management Policy in accordance with the provisions of the Companies Act, 2013. It establishes various levels of accountability and overview within the Company, while vesting identified managers with responsibility for each significant risk. Risk Management policy has been formulated with an aim to (a) Overseeing the Company's risk management process and controls, risk tolerance (b) Setting strategic plans and objectives for risk management and review of risk assessment of the Company (c) Review the Company's risk appetite and strategy relating to key risks, including credit risk, liquidity and funding risk, market risk, product risk and reputational risk as well as the guidelines, policies and processes for monitoring and mitigating such risks.

The Treasury department activities are designed to:

- protect the Company's financial results and position from financial risks
- maintain market risks within acceptable parameters, while optimising returns; and
- protect the Company's financial investments, while maximising returns.

The Treasury department is responsible to maximise the return on company's internally generated funds.

A. Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested

in fixed deposits to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

B: Management of Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Concentrations of credit risk with respect to trade receivables are limited, due to the Company's customer base being large and diverse.

Trade receivables

All trade receivables are reviewed and assessed for default on a periodic basis. Based on historical experience of collecting receivables, supported by the level of default, our assessment of credit risk is low. Accordingly, our provision for expected credit loss on trade receivable is not material.

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks.

C: Capital Management

The Company considers the following components of its Balance Sheet to be managed capital:

Total equity (as shown in the balance sheet) - retained profit, share capital.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company considers the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and risk characteristics of the underlying assets.

In terms of clause 12 (1) of the Guidelines on Repositories and Creation and Management of Electronic Negotiable Warehouse Receipts dated October 20, 2016 issued by Warehousing Development and Regulatory Authority, the Company is required to maintain a net worth of not less than Rupees twenty-five crore, at all times. Disclosure of statement on development and implementation of risk management policy [Text Block]

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has developed a Risk Management Policy in accordance with the provisions of the Companies Act, 2013. It establishes various levels of accountability and overview within the Company, while vesting identified managers with responsibility for each significant risk. Risk Management policy has been formulated with an aim to (a) Overseeing the Company's risk management process and controls, risk tolerance (b) Setting strategic plans and objectives for risk management and review of risk assessment of the Company (c) Review the Company's risk appetite and strategy relating to key risks, including credit risk, liquidity and funding risk, market risk, product risk and reputational risk as well as the guidelines, policies and processes for monitoring and mitigating such risks.

The Treasury department activities are designed to:

- protect the Company's financial results and position from financial risks
- maintain market risks within acceptable parameters, while optimising returns; and
- protect the Company's financial investments, while maximising returns.

The Treasury department is responsible to maximise the return on company's internally generated funds.

A. Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

INDEPENDENT AUDITOR'S REPORT

To the Members of National e-Repository Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of National e-Repository Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's Report including Annexures to Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Loss, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations as at March 31, 2023 on its financial position in its financial statements - Refer Note 36 to the financial statements.

ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses - Refer Note 40 to the financial statements.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2023 - Refer Note 41 to the financial statements.

iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; - Refer Note 43(vi) to the financial statements.

b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; - Refer Note 43(vi) to the financial statements.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has neither declared nor paid any dividend during the year.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a

feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Annexure A to Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of National e-Repository Clearing Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

(a) (A)The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment and relevant details.

(B)The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has physically verified the Property, Plant and Equipment in accordance with a program of verification which in our opinion provides for physical verification of all Property, Plant and Equipment at reasonable intervals. We have been informed that no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any immovable property and accordingly the provisions of Clause 3(i)(c) of the said Order are not applicable to the Company.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) The Company is in the business of rendering services, and consequently, does not hold any inventory. Therefore, the provisions of clause 3(ii) of Companies (Auditor's Report) Order, 2020 are not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year, the company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii)(a) to (f) of Companies (Auditor's Report) Order, 2020 are not applicable to the Company.

iv. In our opinion and according to the information and explanations given to us, the Company has not made investments and not granted loans or provided guarantees or securities to the parties covered under Section 185 and 186 of the Act. Therefore, the provisions of clause 3(iv) of Companies (Auditor's Report) Order, 2020 are not applicable to the Company.

v. In our opinion and according to the information and explanation given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed thereunder to the extent notified. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.

vii (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, service tax, goods and service tax (GST), duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues, as applicable, with the appropriate authorities. According to the records of the Company, there were no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service-tax, GST, duty of custom, duty of excise, value added tax, cess and other statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us, there are no dues in respect of sales tax, value added tax, income tax, goods and services tax, duty of customs, wealth tax, duty of excise and service tax including cess which have not been deposited with the appropriate authorities on account of any dispute.

viii. According to the information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix.(a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) According to the information and explanation given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.

(e) The Company does not have any subsidiary, associate or joint venture and accordingly, reporting under paragraph 3(ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture and accordingly, reporting under paragraph 3(ix)(f) of the Order is not applicable to the Company.

x.(a) The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi.(a) We hereby confirm that to the best of our knowledge and belief, there are no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) As represented to us by the management there are no whistle blower complaints received by the Company during the year.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

xiv.(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.

xv. In our opinion during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

xvi.(a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi)(a), (b) and (c) of the Order is not applicable to the Company.

(b) As per information and explanation given to us and in our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii. The Company has incurred cash losses of Rs. 228.27 lakhs during the financial year covered by our audit. The company has not incurred cash losses in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. According to the information and explanations given to us and in our opinion, during the year, provisions of section 135 Corporate Social Responsibility (CSR) is not applicable to the Company, accordingly reporting under clause 3(xx)(a) & 3(xx)(b) of the Order are not applicable for the year.

Annexure B to Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of National e-Repository Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of National e-Repository Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Description of accounting policy for earnings per share [Text Block]

Basic and diluted earnings per share is computed by dividing the net profit attributable to equity shareholders for the year, by weighted average number of equity shares outstanding during the year.

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Description of accounting policy for employee benefits [Text Block]

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are measured at the amounts expected to be paid when the liabilities are settled. Short term employee benefits are recognised in Statement of profit and loss in the period in which the related service is rendered. The liabilities are presented as current employee benefit obligations in the Standalone Statement of Assets and Liabilities.

Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the Standalone Statement of Assets and Liabilities since the company does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Post-employment obligations

The Company operates the following post-employment schemes:

- a. defined benefit plans such as gratuity, and
- b. Defined contribution plans such as provident fund.

Defined benefit Plan

- Gratuity obligations

The Company has maintained a Group Gratuity Cum Life Assurance Scheme with the Life Insurance Corporation of India (LIC) towards which it annually contributes a sum determined by LIC. The liability or asset recognised in the Standalone Statement of Assets and Liabilities in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to yields on government securities at the end of the reporting period that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Standalone Statement of Assets and Liabilities.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined Contribution Plan

- Provident fund

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no obligations other than the contribution payable to the provident fund.

Compensated Absences

- Short Term compensated absences:- They are provided on estimated basis.

- Long Term compensated absences:- They are provided on actuarial valuation basis. This actuarial valuation is done as per projected unit credit method.

Description of accounting policy for fair value measurement [Text Block]

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

* Level 1 - Quoted (unadjusted)

This hierarchy includes financial instruments measured using quoted prices.

* Level 2

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include the following:

- a) quoted prices for similar assets or liabilities in active markets.
- b) quoted prices for identical or similar assets or liabilities in markets that are not active.
- c) inputs other than quoted prices that are observable for the asset or liability.
- d) Market - corroborated inputs.

* Level 3

They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Description of accounting policy for financial instruments [Text Block]

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de- recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Investment in subsidiaries, joint ventures and associates

Investment in subsidiaries, joint ventures and subsidiaries are carried at cost in the separate financial statements.

Equity investments

All equity investments are measured at fair value. Equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P & L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Trade receivables

Trade receivables are recognized initially at fair value, plus in the case of trade receivables not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the trade receivables. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Cash and Cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

De-recognition

A financial asset is de-recognized only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de- recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of Impairment loss

on the following financial assets and credit risk exposure:

- i. Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- ii. Financial assets that are debt instruments and are measured as at FVTOCI.
- iii. Lease receivables under Ind AS 116
- iv. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18
- v. Loan commitments which are not measured as at FVTPL
- vi. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 116

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L).

Financial liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Financial guarantee contracts

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Leases

As a lessee

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Description of accounting policy for foreign currency translation [Text Block]

Functional and presentation currency

Items included in the Financial Information of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency').

The Financial Information are presented in Indian currency (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.

Any income or expense on account of exchange difference between the date of transaction and on settlement or on translation is recognized in the profit and loss account as income or expense.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit and loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

Effective April 1, 2018 the company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

Description of accounting policy for impairment of financial assets [Text Block]

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivable only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Goodwill and Intangible assets that have an indefinite useful life and intangibles under development are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount exceeds its recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest level for which there are separately identifiable cash inflows which are largely independent of the cash inflow from other assets or Groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Textual information (37)

Description of accounting policy for impairment of non-financial assets [Text Block]

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations are recognized in the statement of profit and loss. A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

Description of accounting policy for income tax [Text Block]

The income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amount will be available to utilise those temporary differences and losses. At each reporting date the Company reassesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become probable that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent it is probable that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is not probable that the company will pay normal tax during the specified period.

i. Intangible assets

Recognition of intangible assets

a. Computer software

Purchase of computer software used for the purpose of operations is capitalized. However, any expenses on software support, maintenance, upgrade etc. payable periodically is charged to the Statement of Profit & Loss.

Costs capitalised are amortized on a straight line basis over a period of 5 years based on management's estimate.

Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognized as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends & has ability to complete the software and use or sell it
- software will be able to generate probable future economic benefits
- Software are available, and the expenditure attributable to the software during its development can be reliably measured.

Capitalized development costs are recorded as intangible assets and amortized from the point at which the asset is available for use. Intangible assets are amortized over its expected useful life.

The carrying value of computer software costs is reviewed for impairment annually when the asset is not yet in use, and otherwise when events or changes in circumstances indicate that the carrying value may not be recoverable.

Intangible Assets acquired as a part of Business Transfer Agreement (BTA) for transfer of Comtrack Business Undertaking from National Commodity & Derivatives Exchange Limited (NCDEX) to the Company are stated in the financial statement at the written down value of the assets in the books of NCDEX and are depreciated over the remaining useful life of the assets.

Intangible Assets	Valued on the basis of	Basis of Amortization
Comtrack Trademarks	Reverse Royalty Approach	Amortized over a period of seven years
Commercials Rights - Comtrack Participants	Multi-period Excess Earnings Approach	Amortized over a period of seven years
Computer Software	Replacement Cost Approach	Amortized over a period of five years

Goodwill	Aggregated the fair values of assets acquired reduced the amount of total consideration paid for acquisition of the business by the aggregate fair value of assets net of fair value of liabilities.	Tested for impairment on an annual basis
----------	--	--

De-recognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets under development

All costs incurred in development, are initially capitalized as Intangible assets under development -till the time these are either transferred to Intangible Assets on completion or expensed as Software Development cost (including allocated depreciation) as and when determined of no further use.

Description of accounting policy for non-current assets or disposal groups classified as held for sale [Text Block]

Non-current assets & disposal Company's classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment (PPE) and intangible assets are not depreciated or amortized once classified as held for sale.

Textual information (41)

Description of accounting policy for property, plant and equipment [Text Block]

Property, Plant and Equipment (PPE) and intangible assets are not depreciated or amortized once classified as held for sale.

PPE are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of CENVAT / GST) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It include professional fees and borrowing costs for qualifying assets.

Significant Parts of an item of PPE having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use. Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation is provided on straight line method over the useful life of the assets.

Fixed assets having an original cost less than or equal to Rs. 5,000 individually are fully depreciated in the year of purchase or installation.

Leasehold improvement is amortized over the renewable period of lease subject to a maximum of 60 months.

The residual value of all assets is taken to be "NIL".

The useful life of property, plant and equipment are as follows:

Asset Class	Useful Life
Leasehold Improvements	Over the period of lease
Plant & Machinery	15 years for Single shift operated plant 7.5 years for Double Shift operated plant
Furniture & Fixtures	10 years
Electrical Installations	10 years
Computers	3 - 6 years
Office Equipment	5 years
Vehicles	8 years
Telecommunication Equipment	6 years

Servers and Networks

6 years

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or over the shorter of the assets useful life and the lease term if there is an uncertainty that the company will obtain ownership at the end of the lease term.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

PPE acquired as a part of Business Transfer Agreement (BTA) for transfer of Comtrack Business Undertaking from National Commodity & Derivatives Exchange Limited (NCDEX) to the Company are stated in the financial statement at the written down value of the assets in the books of NCDEX and are depreciated over the remaining useful life of the assets.

Description of accounting policy for provisions [Text Block]

Provisions, Contingent liabilities and Contingent assets

Provisions for legal claims and discounts/incentives are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of time value of money is material, provisions are discounted using current pre tax rate that reflects, when appropriate, the risk specific to the liability.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Textual information (43)

Description of accounting policy for recognition of revenue [Text Block]

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various discounts and schemes offered by the company as part of the contract. The revenue is recognised net of applicable taxes.

Revenue is recognised in the period when the service is provided as per arrangements/ agreements with the customers.

Transaction charges

Transaction charges are recognised as income on transaction date basis.

Revenue from Operations

Revenue from Operations for NCDEX Markets are recognized when a transaction for Fresh deposit, Ownership transfer, Client negotiated Trade (Off market transaction), Pledge creation/ closure/invocation is entered by client.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends

Dividend income is recognized when the Company's right to receive payment is established by the reporting date.

Disclosure of amounts to be recovered or settled after twelve months for classes of assets and liabilities that contain amounts to be recovered or settled both no more and more than twelve months after reporting date [Text Block]

Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non- current classification.

An asset is treated as current when it is:

- i. Expected to be realised or intended to be sold or consumed in normal operating cycle
- ii. Held primarily for the purpose of trading, or
- iii. Expected to be realised within twelve months after the reporting period other than for (i) above, or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- v. Current asset also include current portion of non-current financial asset. All other assets are classified as non-current.

A liability is current when:

- i. It is expected to be settled in normal operating cycle
- ii. It is held primarily for the purpose of trading
- iii. It is due to be settled within twelve months after the reporting period other than for (i) above, or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Explanation of measurement bases used in preparing financial statements [Text Block]

Historical Cost Convention

The Standalone Financial Statements have been prepared on the historical cost basis except for the followings:

- i. certain financial assets and liabilities and contingent consideration that is measured at fair value;
- ii. assets held for sale measured at fair value less cost to sell;
- iii. defined benefit plans plan assets measured at fair value;

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The Financial Statements are presented in Indian Rupees in Lakhs and all values are rounded to the nearest lakhs except where otherwise stated.

Use of estimates and judgment

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies.

Textual information (49)

Description of other accounting policies relevant to understanding of financial statements [Text Block]

1. Rounding of amounts

All amounts disclosed in the Restated Financial Information and notes have been rounded off to the nearest lakhs, unless otherwise stated.

2. Reclassification

The previous year's figures have been reclassified to conform to this year's classification.

Disclosure of expected impact of initial application of new standards or interpretations [Text Block]

Recent Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 01, 2023, as below:

Ind AS 1 - Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policies Information, together with other information, is material when it can reasonably be expected to influence decision of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact on its financial statements.

Ind AS 12 - Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transaction that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is evaluating the impact, if any, in its financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact on its financial statements.

Disclosure of nature and extent of risks arising from financial instruments [Text Block]

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has developed a Risk Management Policy in accordance with the provisions of the Companies Act, 2013. It establishes various levels of accountability and overview within the Company, while vesting identified managers with responsibility for each significant risk. Risk Management policy has been formulated with an aim to (a) Overseeing the Company's risk management process and controls, risk tolerance (b) Setting strategic plans and objectives for risk management and review of risk assessment of the Company (c) Review the Company's risk appetite and strategy relating to key risks, including credit risk, liquidity and funding risk, market risk, product risk and reputational risk as well as the guidelines, policies and processes for monitoring and mitigating such risks.

The Treasury department activities are designed to:

- protect the Company's financial results and position from financial risks
- maintain market risks within acceptable parameters, while optimising returns; and
- protect the Company's financial investments, while maximising returns.

The Treasury department is responsible to maximise the return on companies internally generated funds.

A. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in fixed deposits to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

B : MANAGEMENT OF CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Concentrations of credit risk with respect to trade receivables are limited, due to the Company's customer base being large and diverse.

Trade receivables

All trade receivables are reviewed and assessed for default on a periodic basis. Based on historical experience of collecting receivables, supported by the level of default, our assessment of credit risk is low. Accordingly, our provision for expected credit loss on trade receivable is not material."

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks.

- In terms of clause 4 (9) of the Guidelines on Repositories and Creation and Management of Electronic Negotiable Warehouse Receipts dated October 20, 2016 issued by Warehousing Development and Regulatory Authority, the sponsor exchange shall not hold more than fifty one percent of the paid up equity share capital of the Company and shall reduce the same to twenty four percent within a period of ten years from the date of grant of Certificate of Registration. Further, in exceptional circumstances, such an exchange may, with the prior permission of WDR, increase the shareholding upto seventy four percent of the paid up capital of the company for such time as may be permitted by WDR.

NCDEX had been permitted to hold up to 74% percent of the paid up share capital of the Company and to reduce it to 51% or below by December 21, 2018 as per letter 16/5-15/A&F-1959 dated December 8, 2016 and letter of intent dated December 23, 2016 of Warehousing Development and Regulatory Authority (WDR). Since the shareholding of the NCDEX (67.22%) was not in line with the above guidelines, NCDEX has sought extension from WDR to comply with the shareholding norms which was informed to the Company. WDR vide its letters no. D-24015/2/2018-O/o US (A&F)/2763 dated December 17, 2018, D-24015/2/2018-O/o US (A and F)/1774 dated November 19, 2019, D-24015/2/2018-O/o US (A and F)/1490 dated November 18, 2020, D-24015/2/2018-O/o US (A and F)/4014 dated October 29, 2021 allowed NCDEX additional time of 12 months from December 23, 2018 till December 22, 2019, December 22, 2019 till December 21, 2020, December 22, 2020 till December 21, 2021, December 22, 2021 till December 21, 2022 respectively to reduce the shareholding to 51% or below. Further, WDR vide its letter no. D-24015/2/2018-O/o US (A and F)/2363 dated December 08, 2022 approved to allow NCDEX additional time of 12 months from 22.12.2022 till 21.12.2023 to reduce the shareholding to 51% or below. Further, WDR vide its letter dated April 11, 2023, advised NCDEX to give a concrete timeframe for divesting its share in NERL.

Disclosure of additional balance sheet notes explanatory [Text Block]

- In the opinion of the Management, the Current Assets, Loans and Advances have a value on realization in the ordinary course of business, at least equal to the amount at which they are stated in the Balance Sheet. The provision for all known liabilities is adequate and not in excess of what is required.

- The Company does not have any pending litigations as at March 31, 2023. However, disclosed the contingent liabilities, wherever applicable, in its financial statements. (refer note)

- As per SEBI directives, National Commodity and Derivatives Exchange Limited (NCDEX) had issued a circular dated December 20, 2021 informing the market participants that no fresh positions and launch of new contracts are allowed for a period of one year in respect of certain commodities prescribed in the said circular including major commodities like Soyabean, Refined Soy Oil as well as earlier suspended commodities viz. Chana and Rapeseed - Mustard. Subsequently, the suspension of these commodities was extended for a further period of one year i.e. till December 20, 2023. NCDEX has issued a circular: NCDEX/SURVEILLANCE & INVESTIGATION-092/2022 dated December 21, 2022 to that effect. Due to the suspension of major commodities, the revenue of the Company from repository activities of these commodities has been impacted. The Company, based on its assessment, is of the view that there is no impact on the carrying value of its assets. Therefore, no adjustments are made in the financial statements for the year ended March 31, 2023.

- WRDA vide its letter no. D-24015/2/2018-O/o US (A and F)-Part I/3533 dated March 31, 2023, advised expediting the process and completion of the appointment of MD & CEO of NERL, since WDR guidelines require the process of appointment of new Managing Director to be completed within a period of 60 days of fall of a vacancy. During the year, on January 5, 2023, NERL has constituted a three-member committee of the Directors to discharge the function of the MD as an interim arrangement and the said committee is reporting to the Board of Directors. WDR further advised that till such time as the process is completed, to follow guidelines on appointment of an interim Managing Director and till the new interim MD is appointed, all correspondence with WDR should be only by a nominated member of the Committee constituted by NERL to over see the work of MD & CEO of NERL. Further, the Company has sent a letter to WDR vide letter no. NERL/WDR/2023-2024/002 dated April 18, 2023, recommending two names, as required, for approval of the Authority along with the report of the Nomination and Remuneration Committee, Minutes of the meeting of the Board where these two names have been recommended and requesting WDR to accord approval for the appointment of new MD&CEO of NERL.

- The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record impact, if any, in the period the code becomes effective.

Description of estimates and critical accounting estimates explanatory [Text Block]

Critical accounting estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

Estimation of useful life of intangible assets Note - 3&4

Estimation of defined benefit obligation Note - 24

Estimation of Provision for doubtful debts

Estimation of contingent liabilities refer Note - 28

Impairment of Assets and Goodwill

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Description of accounting policy for recognition of revenue [Text Block]

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various discounts and schemes offered by the company as part of the contract. The revenue is recognised net of applicable taxes.

Revenue is recognised in the period when the service is provided as per arrangements/ agreements with the customers.

Transaction charges

Transaction charges are recognised as income on transaction date basis.

Revenue from Operations

Revenue from Operations for NCDEX Markets are recognized when a transaction for Fresh deposit, Ownership transfer, Client negotiated Trade (Off market transaction), Pledge creation/ closure/invocation is entered by client.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends

Dividend income is recognized when the Company's right to receive payment is established by the reporting date.
