NOTES:

1. In view of the ongoing Covid-19 crisis, Ministry of Corporate Affairs (hereinafter referred as 'MCA') has issued circular dated January 13, 2021 in continuation of General Circular 20/2020 dated May 5, 2020 (collectively referred as "Circulars") whereby MCA has allowed companies for conducting Annual General Meeting (AGM) through Video Conferencing (VC) or through other audio-visual means (OAVM) which became due in the year 2021. Similarly Securities and Exchange Board of India (hereinafter referred as 'SEBI') vide its circular dated January 15, 2021 has extended certain relaxation to listed entities for holding AGM as provided through Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020.

In line with the above given circulars and guidelines issued by MCA and SEBI, Company is conducting 126th Annual General Meeting of the members through VC.

Members may note that the Company has followed all the guidelines and procedure as required under the MCA and SEBI circulars as stated above and duly complied with the regulatory framework.

Detailed instructions with respect to participation in the AGM through VC are provided in Annexure B to this notice; Members are requested to get through the notes carefully to understand the procedural requirement to attend the AGM through VC.

In line with the above given circulars, dispatch of
physical copies of annual report or other documents
required to be attached therewith, to shareholders is
dispensed with, annual report or other documents are
being sent only by email to the members and to all other
person so entitled.

Copy of the Annual Report 2021, Notice of 126th AGM and instructions for e-voting and participation through VC, are being sent by electronic mode only to those members whose email addresses are registered with the Company/ depository participant(s) for communication purpose. For members who have not registered their email addresses, are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent Skyline Financial Services Private Limited (Registrar and Transfer Agent), D-153A, 1st Floor, Okhla Industrial Area, Phase-I, New Delhi-110020, Phone: 011-26812682/83, Email: parveen@skylinerta.com.

Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.pnbfinanceandindustries.com and on the website of NSDL https://www.evoting.nsdl.com.

- 3. The explanatory statement pursuant to Section 102(1) of the Companies Act, 2013("Act") with respect to item no. 3 and 4 (Special Businesses) forms part of the Notice. Additional information pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standard on general meetings in respect of director/manager seeking re-appointment at the AGM are provided in Annexure A to this notice.
- 4. The Register of Members and Share Transfer Books of the Company will remain closed from September 24, 2021 to September 30, 2021 (both days inclusive) for the purpose of payment of dividend. The cut-off date for determining the members who are entitled to vote through remote e-voting or voting at the meeting through VC is September 23, 2021.
- 5. As per the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf. However, MCA vide its circulars has explained that as AGM will be conducted through VC or OAVM, physical presence of members in any case will be dispensed with, therefore there is no requirement of appointment of proxies by members.

Further, in alignment with the MCA circulars, the SEBI has also dispensed the requirement of sending proxy forms under Regulation 44 (4) of the SEBI Listing Obligations and Disclosure Requirements) Regulations, 2015 vide Circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021.

Accordingly Company is not providing the facility of appointment of proxies by members for this AGM.

- 6. Corporate members intending to attend the AGM shall send certified true copy of the Board resolution to the Company through physical or electronic mode, authorizing their representative to attend and vote through remote e voting or for participation and voting in the meeting through VC.
 - Members attending the AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

- 14. The SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant. Members holding shares in physical form are required to submit their PAN details to Registrar and Share Transfer Agent.
- 15. Pursuant to the provisions of Section 124 of the Act, and IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('the Rules'), all unpaid or unclaimed dividend are required to be transferred by the Company to the IEPF established by the Government of India, after the completion of seven years. Further, according to the Rules, the shares on which dividend has been unclaimed by the shareholders for seven consecutive years or more shall also be transferred to the demat account of the IEPF authority. In terms of above provisions, such amount of unclaimed dividend and shares become due for transfer to the IEPF on September 03, 2021. Details of shares transferred and due to be transferred to IEPF authority are available on the website of the Company. Therefore, all the shareholders are requested to claim the unpaid dividend amount from the Company, if any.
- 16. Members may note that shares as well as unclaimed dividend transferred to IEPF authority can be claimed. Concerned members are advised to visit the weblink: http://www.iepf.gov.in/ and/or Company's website: www.pnbfinanceandindustries.com for the procedure to claim the shares and dividend thereon.
- 17. As per Regulation 40 of Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form w.e.f. April 01, 2019, except in case of transmission or transposition of securities. In view of this and to avail benefits of dematerialisation and to eliminate risks associated with physical shares, members are advised to dematerialise shares held by them in physical form.
- 18. In terms of Section 72 of the Company Act, 2013 the shareholders can exercise their right to nominate any person in whom the securities held by such shareholder shall vest in the event of the death of such shareholder. Members who have not yet registered their nomination are requested to submit the required form (Form no. SH13) to their DP in case shares are held in demat form and to RTA in case shares are held in physical form.
- 19. Since the AGM will be held through VC, the Route Map is not annexed in this Notice.

Explanatory statement pursuant to Section 102(1) of the Companies Act, 2013

Item No. 3

Ms. Saumya Agarwal (DIN: 07517809), was appointed as an Independent Director of the Company with effect from May 27, 2016 and she holds the office as an Independent Director of the Company upto May 26, 2021.

The Board of Directors based on the performance evaluation of Ms. Saumya Agarwal and pursuant to the recommendation of the nomination and remuneration committee, considers that, given her background and experience and contributions made by her during her tenure, the continued association of Ms. Saumya Agarwal would be beneficial to the Company and it is desirable to continue to avail her service as an Independent Director.

A brief profile of Ms. Saumya Agarwal and other requisite details, pursuant to the provisions of the Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India are provided in Annexure A to this Notice.

Ms. Saumya Agarwal is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Company has also received declaration from Ms. Saumya Agarwal that she meets the criteria of independence as prescribed under Section 149(6) of the Act read with Regulation 16(1)(b) of Listing Regulations and comply with Rule 6 of the Companies (Appointment and Qualification of Director) Rules, 2014.

In terms of Section 160 of the Act, the Company has received a notice in writing from a member of the Company proposing the candidature of Ms. Saumya Agarwal to be reappointed as an Independent Director.

In the opinion of the Board, Ms. Saumya Agarwal fulfils the conditions for re-appointment as Independent Director as specified in the Act and the Listing Regulations.

Accordingly, the Board of Directors recommends to the shareholders re-appointment of Ms. Saumya Agarwal as an Independent Director of the Company, not liable to retire by rotation, for a second term of 5 (five) consecutive years on the Board of the Company.

Copy of draft letter of appointment of Ms. Saumya Agarwal as setting out term and condition is available for inspection by members through electronic mode. Ms. Saumya Agarwal is interested in the resolution set out at item no. 3 of the Notice with regard to her re-appointment.

Save and except the above, none of the other Directors/ Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board recommends the resolution set out at item no. 3 of the Notice for approval by the members through special resolution.

Item no. 4

Mr. Vijay Kumar Bakshi was appointed as a 'Manager' of the Company for a period of 3 (three) years effective from April 1, 2018 accordingly his tenure ended on March 31, 2021.

Considering his experience and contributions made by him during his tenure, the continued association of Mr. Vijay Kumar Bakshi would be beneficial to the Company and it is desirable to continue to avail his service as Manager of the Company.

The Board of Directors of the Company ("the Board") at its meeting held on February 10, 2021, upon recommendation of nomination & remuneration committee, re-appointed Mr. Vijay Kumar Bakshi as a 'Manager' of the Company for a period of 3 (three) years effective from April 1, 2021 on such remuneration and terms and conditions as mentioned in the letter of appointment subject to the approval of shareholders.

Therefore, it is proposed to seek members' approval for the reappointment of Mr. Vijay Kumar Bakshi as a 'Manager' of the Company.

A brief profile of Mr. Vijay Kumar Bakshi and other requisite details, pursuant to the provisions of the Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 are provided in Annexure A to this Notice.

Copy of draft letter of appointment of Mr. Bakshi as setting out term and condition is available for inspection by members through electronic mode. Mr. Bakshi is interested in the resolution set out at item no. 4 of the notice with regard to his re-appointment.

Save and except the above, none of the other Directors/ Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board recommends the resolution set out at item no. 4 of the Notice for approval by the members through ordinary resolution.

Form No. MR-3 Secretarial Audit Report

For the Financial Year ended 31st March, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and

Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members,

PNB Finance and Industries Limited

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good Corporate Practices by PNB Finance and Industries Limited, a company registered under the Companies Act, 1913 having its Registered Office at 1st Floor, Express Building, 9-10, Bahadur Shah Zafar Marg, New Delhi -110002 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our examination and verification of the Company's secretarial books, papers, minute books, forms and returns filed and other registers and records as maintained by the Company under Companies Act, 2013 and Securities Laws as applicable to the Company and also the information(s) and explanation(s) provided to us by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting madehereinafter:

We have examined the books, papers, forms and returns filed and other records maintained by Company for the financial year ended on March 31, 2021according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
- (v) Other laws applicable to the Company:-
 - Non- Banking Financial Company Non-Systematically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016
 - b. All other compliances related to NBFC applicable to the Company.

We have also examined compliance with the applicable clause of the following;

- I. The Secretarial Standards issued by the Institute of Company Secretaries of India.
- II. The Listing Agreements entered into by the Company with The Calcutta Stock Exchange
- III. SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.

As per the information(s) furnished and explanation(s) as provided by the Company, its officers, agents and authorized representatives, there were no other sector specific laws applicable to the Company or on its type of Industry except as mentioned above for the financial year ended March 31, 2021.

We further report that, we have checked the Compliance Management System of the Company on the basis of Compliance Certificates issued by the Company Secretary of the Company and the Chief Financial Officer of the Company so as to obtain reasonable assurance about the adequacy of systems in place to ensure compliance of applicable Laws, Rules, Regulations and Guidelines and its verification was done on test check basis. However, I have not made a detailed examination of the said records. I believe that the audit evidence which have been obtained is sufficient and appropriate to provide a reasonable basis for my audit. In my opinion and to the best of my information and according to explanations given to me, I believe that there are adequate systems and processes in the Company commensurate with the size and operations of the

Company and the nature of its business to monitor and ensure compliance of laws specifically applicable to the Company.

We, further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors during the period under review. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

We further report that the compliance by the Company of applicable financial laws like Direct and Indirect Tax Laws has not been reviewed; since the same have been reviewed by Statutory Auditors and other designated professionals and we have relied upon the same.

Adequate notices were given to all the Directors to schedule the Board Meetings and its Committees Meetings. Notice along with Agenda and detailed notes on agenda were sent at least seven days in advance and as system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The Board decisions were carried out with unanimous consent and therefore, no dissenting views were required to be captured and recorded as part of the minutes.

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance helps to serve corporate purposes by providing a framework within which stakeholders can pursue the objectives of the organization most effectively. Corporate Governance signifies acceptance by management of the inalienable rights of shareholders as the true owners of the organization and of their own role as trustees on behalf of the shareholders.

Corporate Governance has indeed been an integral part of the way we have done business for several decades. This emanates from our strong belief that strong governance is integral for creating value on a sustainable basis. Corporate Governance is a journey for constantly improving sustainable value creation and is an upward moving target.

Annual Report 2020 - 2021

MANAGEMENT DISCUSSION AND ANALYSIS REPORT Macro Economic View

In 2020, the global economic sky was overcast with COVID-19 - a virus of the size of 0.12 microns. By end-March 2021, the virus had resulted in over 128 million infections and over 2.8 million mortalities worldwide. The year 2021 has commenced with both hope and fear - several parts of the world are locking down and bracing against new waves of infections and speedily communicable mutations. At the same time, the approval of several vaccines has spurred vaccination drives worldwide, albeit at different speeds. In the event, 2020 has gone down in human history as the year of the 'Great Lockdown'1, with output losses dwarfing those suffered during the global financial crisis (GFC) of 2008-09. World trade declined by around 8.5 per cent, with the contraction in services trade outpacing the fall in merchandise trade.

A slew of conventional and unconventional measures was unleashed across the world, with monetary authorities slashing policy rates to zero and below in real terms - and even in nominal terms in some countries - while executing massive asset purchase programmes, payment deferral schemes, provision of public guarantees, emergency funding avenues and provision of ample liquidity to financial markets.

Industry Developments

The Reserve Bank of India (RBI) took several steps during the year to strengthen the regulatory framework for Non-Banking Financial Companies (NBFCs). It commenced a move towards a scale-based regulatory framework. There has been a phased introduction of a liquidity risk management framework for NBFCs, including a liquidity coverage ratio (LCR). Guidelines for core investment companies (CICs) were also comprehensively reviewed. The gross NPA ratio for NBFCs improved to 5.7 per cent in December 2020 from 6.8 per cent in March 2020, though largely on account of relaxation in asset classification norms pursuant to the Supreme Court's decision on standstill. The CRAR for NBFCs also marginally improved to 24.8 per cent from 23.7 per cent during the same period.

Further more, as part of the Aatma Nirbhar Bharat programme announced by the Government of India in May 2020, the RBI notified a special liquidity scheme at the repo rate to improve the liquidity position of NBFCs to avoid any potential systemic risks to the financial sector on July 1, 2020.

COVID-19 Impact

Pandemic Covid-19 has continued to impact the economy in the financial year 2020-21 with more severity. Government has imposed lock-downs on several intervals and restricted the movements keeping in view the fatality caused by Covid-19.

Since major earning of the Company is yielded through investment in debt mutual funds, the risk of this pandemic is lesser on the Company comparative to Companies engaged in manufacturing, service and other industries.

To provide a safe work environment for our employees the Company is continuing with the following actions:

- Established processes for reporting, quarantining and supporting any personnel suspected of or confirmed having tested positive for the disease.
- Established detailed protocol for evacuation and sanitization of our office buildings in the event of a suspected or confirmed health incident.
- Increased cadence of sanitization of our office facilities.
- Ensured availability of thermal scanners, masks, hygiene products, medicines and medical facilities at our office.
- Created detailed plans for enabling return-to-work in a phased manner, that emphasize social distancing and hygiene.
- The Company has also incorporated work from home culture as a part of working practice of the Company.

Company Performance

Your Company continues to be non-banking financial company. The Company continues to invest in debt mutual funds, perpetual bonds, NCD's, corporate deposits, equity shares of quoted and unquoted companies & fixed deposits. The Company continued with its policy of investing in low risk investment instruments.

The Company has earned net profit of ₹317.89 lakhs during the year 2020-2021. The Company has generated major income this year due to the decision to churn the portfolio of low yield investments in anticipation of higher returns in the future.

Opportunities

The RBI has been continually strengthening the supervisory framework for NBFCs in order to ensure sound and healthy functioning and avoid excessive risk taking. It has issued several new guidelines in the recent past.

Threats

The uncertainties and volatility in the financial market is a continuing threat to the organizational performance. However, the twin features of fore-sightedness and focused analysis of the market has challenged the threat to adverse performance.

Risk and Concern

Your Company is exposed to normal industry risk such as interest rates, market and operational risks. In order to mitigate the risk, your Company invest the surplus funds in growth schemes primarily seeking to generate long term capital appreciation commensurate with prudent risk from a portfolio comprised substantially of high quality debt securities and fixed deposits.

Internal control systems & their adequacy

The Company believes in the system of internal controls and has provided for proper checks and control at various operational levels.

Opinion

We have audited the financial statements of **PNB Finance** and **Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the statement of profit and loss including other comprehensive income) and the statement (of cash flows for the year then ended and notes to financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the code of ethics issued by the institute of chartered accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's Board of Directors are responsible for the

other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements

may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these audit matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances , we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent as applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

ANNEXURE-A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date on the accounts of PNB Finance and Industries Limited for the year ended 31st March, 2021)

- (a) The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) We have been explained that the physical verification of the fixed assets was carried out by the management during the year. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its business. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records, the Company is not having any immovable property. Thus clause 3(i)(c) of the Order is not applicable to the Company.
- ii) The company being in the business of investment in securities, has no stock at any time during the year and therefore clause 3(ii) of the Order regarding inventories is not applicable to the company.
- iii) In respect of loans, secured or unsecured, granted by the Company, to Companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013, a loan of ₹ 126.00 lakh to the wholly owned subsidiary M/s Punjab Mercantile & Traders Ltd, is outstanding at the end of current financial year (previous year ending 31st March, 2020 ₹ 126.00 lakh). The terms and conditions of the grant of such loan are not prejudicial to the interest of the company. The schedule of repayment of principal and payment of interest has not been stipulated.
- iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- v) The Company has not accepted any deposits from the public within the meaning of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Rules framed there under, wherever applicable.
- vi) Maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013.
- vii) a) According to the information and explanations given to us and according to the records produced before us for verification, the Company is generally

regular in depositing, with appropriate authorities, the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, GST, customs duty and Cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed arrears of statutory dues were outstanding as at 31st March, 2021 for a period of more than six months from the date they became payable.

- b) According to the records of the company and information and explanations given to us, there are no dues of income tax, service tax, customs duty, excise duty, value added tax, Goods and Services Tax (GST), cess and other statutory dues which have not been deposited on account of disputes.
- viii)According to the records of the Company examined by us and the information and explanations given to us, the Company does not have any dues to financial institution, bank, government or debenture holders.
- ix) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year hence Clause-3(ix) of the Order is not applicable.
- x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers and employees has been noticed or reported during the year.
- xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with the Schedule V to the Act.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence Clause 3 (xii) of the Order is not applicable to the Company.
- xiii)According to the information and explanations given to us and on our examination of the records of the Company, transactions with related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Hence

- clause 3(xiv) of the Order is not applicable to the Company.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any noncash transaction with Directors or person connected with them and therefore Clause 3 (xv) of the Order is not applicable to the Company.
- xvi) The Company is a Non Banking Financial Company and is registered under section 45-1A of the Reserve Bank of India Act, 1934..

ANNEXURE-B

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF PNB FINANCE AND INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PNB Finance and Industries Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy

and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to Obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles,

and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Corporate Overview

PNB Finance and Industries Limited ('the Company') is a public limited company domiciled and incorporated in India under the provisions of Indian Companies Act.

The Company's registered office is at Ist Floor, Express Building, 9-10, Bahadur Shah Zafar Marg, New Delhi-110 002, India.

The shares of the Company is listed with The Calcutta Stock Exchange Ltd. The Company is an NBFC Company, registered with RBI as NBFC Company as Non –Deposit taking company in 1998.

Presently, the Company is not engaged in any business operations, except investment in surplus funds in low-risk instruments and earning income therefrom.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of preparation of financial statements:

The financial statements of the company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and disclosures are made in accordance with the requirement of Division III of Schedule III of the Companies Act, 2013 (the Act) and other relevant provisions of the Act and RBI guidelines/ regulation as an NBFC Company to the extent applicable.

The financial statements are authorised for issue by the Board of Directors on June 24, 2021.

The financial statements have been prepared on a historical cost basis, except for the certain financial assets and financial liabilities that are measured and carried at Fair Value (refer accounting policy regarding Financial Instruments).

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency.

All amounts have been rounded-off to the nearest lakhs (up to two decimal point), as per the requirements of Schedule III, unless otherwise stated.

1.2 Significant accounting judgments, estimates and assumptions:

The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, financial assets, non-financial assets, financial and non-financial liabilities and disclosure of the contingent liabilities at the end of each reporting period. Actual may differ from these estimates.

The information about each of these estimates and judgements is included in relevant notes. Estimation and underlying assumptions are reviewed on ongoing basis. Revisions to estimates are recognised prospectively.

1.3 Revenue recognition:

Income is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists on realization of revenue at the time of accrual, underlying revenue is not recognized to that extent.

• Interest income

Interest income from debt instruments is recognised using effective interest rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

When calculating the EIR, the company estimates the expected cash flows by considering all the contractual terms of the financial instruments (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Interest income on bank deposits and other non-financial deposits is recognized on accrual basis considering, the amount invested/ outstanding / and the rate of interest applicable.

Interest on tax refund is accounted for on receipt basis.

Dividend income

Dividends are recognised in the statement of profit and loss only when the right to receive the payment is established and it is probable that the economic benefits associated with the dividend will flow to the company, and the amount can be measured reliably.

Dividend income from equity instruments measured at fair value through other comprehensive income has been recognised in the statement of profit and loss.

Interest and dividend is included under other income in statement of profit and loss.

1.4 Property, plant and equipment:

· Recognition and measurement

Property, plant & equipments (PPE) is stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The Cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable expenses for bringing the assets to their present location and conditions for its intended use.

When parts of an item of PPE have different useful lives, they are accounted for as separate items (major components) of PPE. All other expenses on an existing PPE including day to day repair and maintenance expenditure and cost of replacing parts (other than major components), are charged to the statement of profit and loss for the period during which such expenses are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date are disclosed under 'Other non –financial assets.

Disposal

An item of PPE is derecognised upon disposal or when no future benefits are expected from its use or disposal. Gains and losses on disposal of an item of PPE are determined by comparing the proceeds from disposal with the carrying amount of PPE and are recognised within other income/ expenses in the statement of profit and loss.

Depreciation

Depreciation on property, plant & equipment (PPE) is provided on written down value as per rates arrived at based on useful life and manner prescribed under Schedule II of the Companies Act, 2013.

In case addition /deletion of PPE during the year, Depreciation on those PPEs has been provided for on a pro rata basis from the date of such addition or, as the case may be, up to the date of deletion of such asset.

1.5 Impairment of property, plant and equipment and other non -financial assets:

The company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal or its value in use.

Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

An impairment loss, if any, is charged to statement of profit and loss in the year in which the assets is identified as impaired. The impaired loss recognized in prior accounting periods is reversed / adjusted, if there has been a change in the estimate of the recoverable amount.

1.6 Cash and cash equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.7 Fair value measurement:

The Company measure financial instruments such as Investments in Debt Mutual Funds and in Equity shares (other

than investment in subsidiaries/associates) at fair value at each reporting (balance sheet) date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.8 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

a. Initial recognition and measurement

Financial assets are initially recognised on the trade date i.e. the date that the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value. Financial assets which are not at fair value through profit and loss, are at fair value plus transaction costs that are directly attributable to the acquisition of such financial assets. Transaction costs of those financial assets carried at "fair value through profit or loss" are expensed in statement of profit and loss.

Financial assets are classified at the initial recognition as financial assets measured at amortised costs or at fair value.

b. Subsequent measurement

For subsequent measurement, financial assets are broadly classified in two broad categories:

Financial assets carried at amortised cost,

Financial assets at fair value [either through other comprehensive income (FVTOCI) or through profit or loss (FVTPL)]

For assets classified as "at fair value", gains and losses are either recognised in statement of profit and loss or recognised in other comprehensive income, as elected. For assets classified as "at amortised cost", this will depend on the business model and contractual terms of the cash flows.

i) Financial assets carried at amortised cost:

A financial asset is measured at amortised cost if it meets the following two conditions:

- (a) Business model test: The objective of the company's business model is to hold the financial assets to collect contractual cash flows.
- (b) Cash flow characteristic test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets i.e. debentures, bonds and corporate deposits etc. meeting the above conditions are measured at amortised cost and interest income from such financial assets has been recognised using the effective Interest rate.

ii) Financial assets at fair value through other comprehensive income (FVTOCI):

A financial asset is subsequently measured at fair value through other comprehensive income if:

- (i) The objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (ii) The contractual terms of the financial asset represent solely payments of principal and interest on the principal amount outstanding.

The dividend income on financial assets at FVTOCI is recognised under profit or loss. The company's investments in financial assets i.e. debt instruments being debt based mutual funds are measured at fair value through other comprehensive income (OCI) and fair value changes on these financial assets are recognised in OCI.

On derecognition/ sale of investments measured at FVTOCI, the fair value changes (on other than equity instruments measured at FVTOCI) in OCI, are subsequently reclassified to the statement of profit and loss.

iii) Financial assets at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.

Equity instruments which are held for trading are required to measure at FVTPL. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Equity instruments at fair value through other comprehensive income

For equity instruments, the company may make an irrevocable election to present subsequent changes in the fair value through other comprehensive income. The Company makes such election on an instrument-by-instrument basis.

For investments in equity shares (not held for trading and other than investment in subsidiary /associates), the company has made an irrevocable election to account for these at fair value through other comprehensive income (FVTOCI).

If the company decides to classify an equity instruments as at FVTOCI, then all fair value changes on such instruments excluding dividend income, are recognised in the other comprehensive income (OCI). Dividend on equity instrument measured at FVTOCI is recognised at statement of profit and loss.

Fair value changes on these equity instruments never recycled (not subsequently transferred/reclassified) from OCI to profit or loss, however on de-recognition / sale of the equity instruments measured at FVTOCI, cumulative gain or losses are transferred/reclassified within equity i.e. balance of cumulative gain or losses transferred to retained earnings.

c. Investments in subsidiary

The Company's investment in subsidiaries are recognised at Cost as per Ind AS 27. Cost represents amount paid for acquisition of the said investments.

The company assesses at the end of each reporting period, if there are any indication that the said investments may be impaired. If impairment exists, the company estimates the recoverable value/ amount of the investments and provides for impairment, if any i.e. the deficit in the recoverable amount / value over cost. The impairment loss, if any, is recognised in the statement of profit and loss.

On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of profit and loss.

d. Impairment of financial assets

In accordance with Ind AS 109, the company uses 'expected credit loss' (ECL) model, for evaluating impairment of financial assets other than those measured at FVTPL.

The company assesses on a forward looking basis the expected credit losses associated with its financial assets considered for ECL. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the needs to provide for the same in the statement of profit and loss.

The company assess impairment based on expected credit losses (ECL) model for the following:

- (1) Financial assets measured at amortised cost,
- (2) Financial assets measured at FVTOCI,
- (3) Other financial assets like trade/ other receivables.

The company follows "simplified approach" for recognition of impairment loss allowance on trade receivables. For application of "simplified approach" the company does not require to track changes in credit risk instead the company uses the provision matrix to determine loss allowance on trade / other receivables.

ECL is the difference between all contractual cash flows that are due to the company in accordance with contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

The company' investment in debt instruments (fixed income securities being bonds, corporate deposits, debentures etc.), the risk parameters like tenor, the probability of default, tracking of ratings etc. for each of these instruments/ issuer ratings etc. is considered in estimating probable credit losses over balance tenor of these instruments.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense / income in the statement of profit and loss.

However, ECL impairment loss allowance (or reversal) if any, on equity shares measured at fair value through OCI (FVTOCI) has been recognized through other comprehensive income.

ECL is presented as an allowance i.e. as an integral part of the measurement of those assets in the balance sheet. ECL reduces the net carrying amount, unless the financial asset meets write off criteria, the company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities

a. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade/ other payables having short maturities.

b. Subsequent measurement

Financial liabilities comprises interest bearing borrowings (from banks/others) if any, are carried at amortized cost using the effective interest method.

For trade and other financial liabilities maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial assets and liabilities

Financial assets

A Financial assets is derecognised by the company only when:

- (i) The contractual rights to the cash flows from the financial asset expired or
- (ii) The company has transferred the right to receive cash flow from financial assets and where the entity has transferred the assets, the company evaluates whether it has transferred substantially all risk and rewards of ownership of such financial assets. or
- (iii) In any other case, transfer qualifies for other de-recognition criteria under Ind- AS 109.

Financial liabilities

A Financial liability (or a part thereof) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expired.

Reclassification of financial assets and liabilities

The company does not reclassify its financial assets subsequent to initial measurement, apart from exceptional circumstances as permitted. Financial liabilities are not reclassified.

Off setting

Financial assets and liabilities are off set and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events. It must be enforceable in the normal course of business and also in the event of default, insolvency or bankruptcy of the company or the counterparty.

1.9 Employee benefits:

Short-term employee benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised in the period in which the employee renders the related service.

• Post-employment benefits

Defined contribution plans

Employees of the company are entitled to receive benefits under the provident fund, which is a defined contribution plan. Both employees and employer make monthly contributions to the plan at a pre determined rate of employee's basic salary. These contributions are made to a Central Government's employees provident organisation account (EPFO) contributions by company to provident fund are expensed in the statement of profit and loss, when the contributions are due. Such benefits are classified as defined contribution schemes as the company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined benefit plans

The employees' gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the projected unit credit method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government securities as at the reporting date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

When the benefits of the plan are changed or when a plan is curtailed, the resulting change in benefits that relates to past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. Net interest is calculated by applying the discount rate to the net defined benefit liability. The company recognises gains/losses on settlement of a defined plan when the settlement occurs.

Other long-term employee benefits (compensated leaves)

The employees can carry-forward a portion of the unutilized accrued leave and utilize it in future service periods or receive cash compensation on resignation/termination of employment.

Accumulated leaves, which is expected to be utilised within the next 12 months, is treated as short term employee benefit. Since a substantial part of the compensated leaves do not fall due wholly within 12 months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within 12 months after the end of such period, the benefit of such leaves is classified as a long-term employee benefit.

The company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method at year end.

Remeasurements, comprising of actuarial gains and losses, are recognised immediately in the statement of profit and loss.

1.10 Income tax:

Income tax expense comprises current tax, deferred tax and earlier year tax, if any.

Current and deferred tax is recognised in profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the current tax / deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax expenses or credit for the period is the tax payable on the current period's taxable income based on the tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax assets and liabilities are offset only if there is a legally enforceable right to set it off the recognised amounts and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum Alternate Tax (MAT) paid in a year under the provisions of the income-tax Act, 1961 is charged to the statement of profit and loss as current tax for the year.

Minimum Alternate Tax (MAT) Credit, if applicable is recognised as deferred tax asset only when and to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses/tax credits only if it is probable that future taxable amounts will be available to utilise those temporary differences/credits and losses.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

1.11 Provisions and contingent liabilities:

The company creates a provision when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

Provisions are measured at the present value of management's best estimates of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as interest expense.

Contingent liability is not recognised but disclosed in the case of:

- (i) A present obligation that arising out of past events, when it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation,
- (ii) A present obligation that arising out of past events, when no reliable estimate of the amount is possible,
- (iii) A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

1.12 Earnings per share (EPS):

Basic earnings per share is calculated by dividing the net profit/loss for the year attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the financial year.

The weighted average number of equity shares outstanding during the year/period and all periods presented is adjusted for events, such as bonus equity shares, other than the conversion of potential equity shares that have changed the no. of equity shares outstanding without a corresponding change in resources.

For calculating diluted earnings per share, the net profit and loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the financial year, is adjusted for the effects of all dilutive potential equity shares.

1.13 Dividend on equity shares:

The company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

32 FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in a orderly transactions in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

The following methods and assumptions are used to estimate the fair value:

- (a) The fair value of quoted equity shares is derived from quoted market prices in active markets.
- (b) The fair value of unquoted equity shares (FVTOCI financial instruments) is derived as per Level 3 techniques, in case observable market data is not available.
- (c) The fair value of mutual funds is derived from the available declared /quoted NAV of units.
- (d) Assets held for collection of contractual cash flow where cash flows represent solely payment of principle and interest like bonds/ debentures /corporate deposit are measured at amortised cost. Interest income from these financial assets is calculated using the effective interest rate method.

The management has assessed that cash and cash equivalents, other receivables (financial assets) and trade payables are approximate at their carrying amounts largely due to the short term maturities of these instruments.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices /declared NAVs in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: inputs which are not based on observable market data.

Fair value estimation

For financial instruments measured at fair value in the balance sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

For financial assets which are carried at fair value, the classification of fair value calculations by category is summarised below:

(₹ in lakh)

34 FINANCIAL RISK MANAGEMENT:

The Company is not carrying any business operations, however income has been generated from investments of its surplus funds being investment in debt securities, equity instruments and bank deposits. The company's financial assets are investment in debt securities (bonds, debentures, corporate deposits, debt based mutual funds, etc.) Cash and cash equivalents, bank deposits other than cash and cash equivalents, loan and other receivables & financial liabilities are trade/other payables and other financial liabilities.

The Company's activities expose to financial risk i.e. liquidity risk, market risk, credit risk etc. The Board of Directors provide guiding principles for overall risk management, as well as principle for investment of available funds including reveiw of such policies for managing each of applicable type of financial risks, which are summarised as below:

(a) Liquidity risk

The Company's principal source of liquidity are "cash and cash equivalents" and cash in flow that are generated from income from investments. liquidity risk is defined as a risk that the company will not be able to settle or meet its obligations on time.

Liquidity risk management implies maintenance of sufficient cash to meet the obligations as and when due. The company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. The company has invested is surplus fund also in fixed income securities /instruments of similer profile thereby ensuring availability of liquidity as and when required. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the company and accordingly, no liquidity risk is perceived.

The following is the contractual maturities of the financial liabilities

(₹ in lakh)

As at March 31, 2020			
Other payables	2.89	2.89	-
Other financial liabilities	3.85	3.85	-
Tota	6.74	6.74	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk generally comprises three types of risk: Interest rate risk, Currency risk and Price risk. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including quoted investments, deposits, foreign currency receivables, payables and loans and borrowings.

(i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has neither payables & receivables in foreign currency, not holding Foreign Assets and also not entered into transactions in the foreign currency during the year under report, therefore the company activities are not exposed to foreign exchange risk.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The company interest rate risk from investments is in debt securities (bonds, debentures, corporate deposits etc.). In order to optimise the company's position with regard to interest income, the management manages the interest rate risk by diversifying its debt investments portfolio accross tenures.

(iii) Price risk

Price risk arises due to volatility in the market prices of financial intruments for which market prices are available (i.e. quoted price for quoted equity shares and declared NAV/ quoted NAV for debt based MF). The company is exposed to price risk arising mainly from investment measured at fair value through OCI (FVTOCI) being equity shares (quoted) and debt based mutual funds. The company's exposure to debt based mutual funds falls in very low risk category due to investments are in high rated schemes. To optimise price risk, policy of diversification has been followed in case company's debt based MF portfolio. As regards the company's investment in unquoted equity shares, which are long term in nature and fair valuation of these investments are largely depend on performance of these company and hence the price risk emanating from shortfall in performance has been reviewed closely.

(c) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counter-party fails to meet its contractual obligations. The company is not carrying any business activities and thus has no transactions with customers. In case of the company's investment portfolio, credit risk may arise from bank balances (including fixed deposits) and investment in debt securities like bonds, debentures, corporate deposits and debt based mutual funds.

To manage credit risk on these financial assets, the company has an investment policy which allows the company to invest only in high rated schemes/ papers/ bonds /NCD /corporate deposits etc. considering the safety of investment first along with lower risk and reasonable returns. The company tracks credit worthiness of couterparty and closely reveiws the rating of investments and takes immediate suitable remedial actions as far as possible.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF PNB FINANCE AND INDUSTRIES LIMITED

Report on the audit of consolidated financial statements for the year ended 31st March, 2021

Opinion

We have audited the consolidated financial statements of **PNB Finance and Industries Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') which comprise the Balance Sheet as at March 31, 2021, the statement of profit and loss including other comprehensive income) and the statement (of cash flows for the year then ended and notes to financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2021, and its Profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Kev Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content

- of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatement in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these audit matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that :

- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the consolidated financial statements;
- B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- C. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Consolidated Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of

preparation of the consolidated financial statements;

- D. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended:
- E. On the basis of the written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- F. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiaries, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- G. With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act
- H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements;
 - The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiaries.

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF PNB FINANCE AND INDUSTRIES LIMITED

(Referred to in paragraph (f) under 'Report on other Legal and Regulatory Requirements' of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of PNB FINANCE AND INDUSTRIES LIMITED (the "Holding Company") & its subsidiaries (the holding company and its subsidiaries together referred to as "the Group") as at and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiaries covered under the Act, as at that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Holding Company's and its subsidiaries management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that

we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiaries, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the internal control over financial reporting criteria established by the Holding Company and its subsidiaries considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 Corporate Overview

PNB Finance and Industries Limited ('the company') is a public limited company domiciled and incorporated in India under the provisions of Indian Companies Act.

The Company's registered office is at Ist Floor, Express Building, 9-10, Bahadur Shah Zafar Marg, New Delhi-110 002, India.

The shares of the company is listed with The Calcutta Stock Exchange Ltd. The Company is an NBFC Company, registered with RBI as NBFC Company as non –deposit taking company in 1998.

Presently, the Company is not engaged in any business operations, except investment in surplus funds in low risk instruments and earning income therefrom.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements comprise of financial statements of PNB Finance and Industries Limited ('the company"/ "the parent company") and its wholly owned subsidiaries (hereinafter collectively referred to as the "Group") for the year ended 31st March, 2021.

The Consolidated financial statements include financial statements of the subsidiaries of PNB Finance and Industries Limited ('the company') consolidated in accordance with Indian Accounting Standards 110 'consolidated financial statements'.

The Subsidiaries which are considered and included in the consolidation along with company's holdings are given below:

S. No.	Name of the Company	Ownership in % either directly or through subsidi		
		2020-21	2019-20	
1	Subsidiary (Indian) Punjab Mercantile And Traders Ltd.	100%	100%	
2	Esoterica Services Ltd (Earlier Jacaranda Corporate Services Ltd.)	100%	100%	

1.1 Basis of Preparation:

The consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and disclosures are made in accordance with the requirement of Division III of Schedule III of the Companies Act, 2013 (the Act) and other relevant provisions of the Act to the extent applicable.

The consolidated financial statements have been prepared on a historical cost basis, except for the certain financial assets and financial liabilities that are measured and carried at fair value.

The consolidated financial statements are presented in Indian Rupees (INR), which is the company's functional currency.

All amounts have been rounded-off to the nearest lakhs (up to two decimal point), as per the requirements of schedule III, unless otherwise stated.

The financial statements are authorised for issue by the Board of Directors on June 24, 2021.

1.2 Basis of Consolidation

(i) The consolidated financial statements incorporate the financial statements of the parent company and its subsidiaries. The parent company together with its subsidiaries constitute the Group. For this purpose, an entity which is, directly or indirectly, controlled by the parent company is treated as subsidiary.

Control is achieved when the group directly or indirectly:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.
- (ii) The consolidated financial statements of the group combine financial statements of parent company and its subsidiaries line by line basis by adding together the like items of assets, liabilities, income and expenses.
- (iii) All intragroup assets and liabilities, equity, income, expenses, unrealised profits/losses and cash flows relating to transactions between the entities of the group are eliminated on consolidation.
- (iv) The financial statements of all the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the parent company.
- (v) The consolidated financial statements are prepared using uniform accounting policies as the company's standalone financial statements, however where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the group's accounting policies.
- (vi) Profit or loss, other comprehensive income and total comprehensive income of the subsidiaries are attributed to the owners of the parent company and to the non-controlling interests (NCI) in their respective holdings and have been shown separately in the consolidated financial statements.
 - Non-controlling interest represents that part of the profit or loss, other comprehensive income and total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the parent company.
 - The subsidiaries considered in the consolidated financial statements are wholly owned by parent company, thus profit or loss, other comprehensive income and total comprehensive income of these subsidiaries are wholly attributed to the owners of the parent company in the financial statements.
- (vii) Investments other than investment in subsidiaries have been accounted for as per Indian Accounting Standard (Ind AS) 109 "financial instruments".

1.3 Other Significant Accounting Policies

Other significant accounting policies followed by the group are exactly similar to the significant accounting policies of the parent company i.e. PNB Finance and Industries Limited; and hence have not been reproduced here.

Refer note 1 [from note 1.2 to 1.13] of the standalone financial statements of PNB Finance and Industries Limited for the year ended 31st March, 2021 for details with respect to other significant accounting policies.

These significant accounting policies have been consistently applied to all the years presented, unless otherwise stated

30 FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in a orderly transactions in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

The following methods and assumptions are used to estimate the fair value:

- (a) The fair value of quoted equity shares is derived from quoted market prices in active markets.
- (b) The fair value of unquoted equity shares (FVTOCI financial instruments) is derived as per level 3 techniques, in case observable market data is not available.
- (c) The fair value of mutual funds is derived from the available declared /quoted NAV of units.
- (d) Assets held for collection of contractual cash flow where cash flows represent solely payment of principle and Interest like bonds/ debentures /corporate deposit are measured at amortised cost. Interest income from these financial assets is calculated using the effective interest rate method.

The management has assessed that cash and cash equivalents, other receivables (financial assets) and trade /other payables are approximate at their carrying amounts largely due to the short term maturities of these instruments.

The group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices /declared NAVs in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: inputs which are not based on observable market data.

Fair value estimation

For financial instruments measured at fair value in the consolidated balance sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

For financial assets which are carried at fair value, the classification of fair value calculations by category of the group in the consolidated balance sheet is summarised below:

The activities at group level, expose to financial risk i.e. liquidity risk, market risk, credit risk etc. The management of respective entities in the group provide guiding principles for overall risk management, as well as principle for investment of available funds including reveiw of such policies for managing each of applicable type of financial risks, which are summarised as below:

(a) Liquidity risk

The group is not carrying any business operations, however income has been generated from investments of its surplus funds being investment in debt securities, equity instruments and bank deposits. The financial assets at group level are investment in debt securities (bonds, debentures, corporate deposits, debt based mutual funds, etc.) cash and cash equivalents, bank deposits other than cash and cash equivalents, loan and other receivables & financial liabilities are trade/other payables and other financial liabilities.

The activities at group level, expose to financial risk i.e. liquidity risk, market risk, credit risk etc. The management of respective entities in the group provide guiding principles for overall risk management, as well as principle for investment of available funds including reveiw of such policies for managing each of applicable type of financial risks, which are summarised as below:

The following is the contractual maturities of the financial liabilities:

(₹ in lakh)

Particualrs	Carrying amount (At amortised Cost)	1-12 months	More than 12 months
Non-derivative liabilities			
As at March 31, 2021			
Trade/other payables	3.81	3.81	-
Other financial liabilities	3.64	3.64	-
Total	7.45	7.45	-
As at March 31, 2020			
Trade/other payables	3.07	3.07	-
Other financial liabilities	3.85	3.85	-
Total	6.92	6.92	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk generally comprises three types of risk: interest rate risk, currency risk and price risk. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including quoted investments, deposits, foreign currency receivables, payables and loans and borrowings.

(i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The group has neither payables & receivables in foreign currency, not holding foreign assets and also not entered into transactions in the foreign currency during the year under report, therefore the activities at group level are not exposed to foreign exchange risk.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate risk at group level is from investments in debt securities (bonds, debentures, corporate deposits etc.). In order to optimise the group's position with regard to interest income, the management of respective entities of group manages the interest rate risk by diversifying its debt investments portfolio accross tenures.

(iii) Price risk

Price risk arises due to volatility in the market prices of financial intruments for which market prices are available (i.e. quoted price for quoted equity shares and declared NAV/ quoted NAV for debt based MF). The group is exposed to price risk arising mainly from investment measured at fair value through OCI (FVTOCI) being equity shares (quoted) and debt based mutual funds. The group's exposure to debt based mutual funds falls in very low risk category due to investments are in high rated schemes. To optimise price risk, policy of diversification has been followed in case of debt based MF portfolio at group level. As regards the group's investment in unquoted equity shares, which are long term in nature and fair valuation of these Investments are largely depend on performance of these investee companies and hence the price risk emanating from shortfall in performance has been reviewed closely by management of the respective entities of group.

(c) Credit risk

Credit risk is the risk of financial loss, if a customer or counter-party fails to meet its contractual obligations. Since no business activities except investment of surplus fund have been carrried out at group level and thus there are no transactions with customers. In case of the group's investment portfolio, credit risk may arise from bank balances (including fixed deposits) and investment in debt securities like bonds, debentures, corporate deposits and debt based mutual funds.

To manage credit risk on these financial assets, the respective entities of the group has an investment policy which allows them to invest only in high rated schemes/papers/bonds/NCD/corporate deposits etc. considering the safety of investment first along with lower risk and reasonable returns. At group level, credit worthiness of couterparty has been tracked and the rating of investments have been closely reveiwed and as far as possible the immediate suitable remedial actions has been taken.
