US PRIVATE EQUITY

Cohere

Opening soon

Enterprise AI platform for secure, private, customizable solutions.

Sector: Enterprise Software / Data Intelligence | Head office: Toronto, Canada | Founded: 2019

ABOUT

Cohere provides AI models and an enterprise-ready platform called North that lets businesses run private, secure, and customizable generative AI. It serves enterprises across multiple industries. The website does not state a founding year.

LEADERSHIP AND INVESTORS

Leadership Abhishek Sinha (Vice President of Product), Aidan Gomez (Chief Executive Officer), Ivan Zhang (Founder), Jaron Waldman (Chief Product Officer)

RISKS

- You could lose money. Private companies can fall in value, and late-stage rounds are priced for strong growth.
- Your money is locked in. There is no daily price and no guaranteed way to sell.
- The listing could take years, or never happen.
- Information is limited: private companies publish far less than listed ones.
