LEADERSHIP AND INVESTORS

Leadership	Amjad Masad (Chief Executive Officer), Haya Odeh (Founder), Luis Hector Chavez (Chief Technology Officer), Michele Catasta (President)
Investors	Andreessen Horowitz, Y Combinator, Coatue Management, Craft Ventures, Paul Graham, Bloomberg Beta, Reach Capital, Georgian Partners

RISKS

- You could lose money. Private companies can fall in value, and late-stage rounds are priced for strong growth.
- Your money is locked in. There is no daily price and no guaranteed way to sell.
- The listing could take years, or never happen.
- Information is limited: private companies publish far less than listed ones.
